Dear FAUN Supporter,

Thank you for your support and participation in the Foothills Arc Users Network. It is time to ask for your support through membership dues. Our organization is supported solely through dues and funds raised through group training activities. The dues are used to provide refreshments at the meetings as well as to support group activities such as training classes/workshops, speakers etc. Please note that members & non-members are always welcome to attend the meetings. The training classes and workshops are available to members at a lower price than non-members. In addition, class seats are only available to non-members if members do not fill them.

The following page contains information regarding FAUN membership dues for the 2009-2010 fiscal year. Please support the group if possible. If you have any questions or comments, please contact me at webber@scacog.org. Thank you for your continued support of our user group.

We look forward to seeing you at our next FAUN meeting which will be held on February 19, 2009, in the conference room at the Appalachian Council of Governments.

Sincerely,

Amy Wright-Webber
